National Intelligence Council

NIC #04521-84  
6 August 1984

MEMORANDUM FOR: Chairman, National Intelligence Council

FROM: David Y. McManis  
National Intelligence Officer for Warning

SUBJECT: TDY Approval

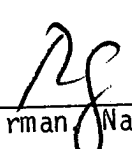

1. I have been invited by MGen John Marks to address the Electronic Security Command's Commanders Conference on 17 October. It is a good opportunity to let the guys who man the airborne platforms know that they're doing good things for their country and that we do know it in Washington. There will also be an awards banquet for their outstanding enlisted personnel.

2. If the timing is right for MAC, I would also plan to respond to an earlier request that I visit and spread the warning gospel.

3. Request your approval for a two-three day TDY to San Antonio and Scott AFB in mid-October.

  
David Y. McManis
